

Small Santa Clara based law firm seeks full time estates attorney with minimum 2 years' experience.

Successful candidates will already be working toward the CA bar specialization for estate planning, trusts and probates, be well versed in preparation of California estate plans, probating estates in California and assisting with the administration of California Trusts. Litigation in probate court is not required but will set candidates apart from those who do not have the experience.

Attorney will be responsible for estate planning presentations, managing the firm's estate clients, marketing and networking.
